

§ 777.4

Administrator), (FSA). Such quantity includes all harvest acreages including sugarcane harvested for seed.

Disaster payment yield means as applicable, the average of actual yields for the years 1987 through 1989 in accordance with instructions issued by the Deputy Administrator or the county average yield for the crop, established by FSA. Such county average yield shall be the average of the county average yields, including seed cane production, for the years 1985 through 1989 as determined by NASS, excluding the year in which the yield was the highest and the year in which the yield was the lowest.

Eligible crop means the 1990 crop of sugarcane, sugar beets, soybeans and peanuts.

Eligible disaster means a December 1989 frost or freeze.

Eligible producer means, with respect to an eligible crop for which an application for disaster payment has been made under this part, a person who as owner, landlord, tenant, or share-cropper is entitled to share in such crops, or the proceeds therefrom, available for marketing from the farm or would have been if such crop had been produced. Such person includes the producer who was on the farm at the time of the 1989 freeze and who may or may not have been the producer who harvested the 1990 crop.

Expected production means the disaster yield times the sum of the 1990 planted acreage of the crop and the 1990 prevented planted acreage of the crop.

§ 777.4 Availability of disaster payments.

Disaster payments will be made available to eligible producers of 1990 crop of an eligible crop who suffered losses because of the occurrence of an eligible disaster in 1989.

§ 777.5 Disaster benefits.

(a) Disaster payments for low yield losses on 1990 crop of sugarcane are authorized to be made to producers who file a CCC-441SU, Application for 1990 Disaster Benefits, if:

(1) The farm operator submits an Application for Disaster Credit (Form FSA-574), in accordance with instruc-

tions issued by the Deputy Administrator;

(2) The farm operator submits a record of Production and Yield (Form FSA-658) in accordance with §1477.7; and

(3) The county ASC committee determines that because of an eligible disaster condition, producers on a farm were able to harvest less than 60 percent of the expected production of an eligible crop in 1990.

(b) Each eligible producer's share of a disaster payment shall be based on the eligible producer's share of the crop or the proceeds therefrom or, if no crop was produced, the share which the eligible producer would have otherwise received if the crop had been produced.

§ 777.6 Filing application for payment.

(a) Applications for payment shall be filed by the applicant with the county FSA office serving the county where the producer's farm is located for administrative purposes.

(b) An application for payment shall be filed as soon as practicable after the producer's eligibility has been established in accordance with § 777.5(a). Applications for payment must be filed no later than June 28, 1991.

§ 777.7 Report of acreage, production disposition, and indemnity payments.

(a) Eligible producers shall report, in accordance with instructions issued by the Deputy Administrator, the acreage, production, and disposition of all eligible crops produced in 1990 on an acreage for which an application for a disaster payment is filed. Such production reports must be filed no later than the date established by the Deputy Administrator.

(b) If there has been a disposition of crop production through commercial channels, the eligible producer must furnish documentary evidence of such disposition or provide FSA the authority necessary in order to verify the information provided on the report. Such authority includes access to producers' disposition documents of warehousemen and processors. Acceptable evidence shall include, but not limited to, such items as the original or a copy of
